DTX-D G01	DATEX II	<a href="#">Guideline (BP Update 2015)</a> <a href="#">Fact sheet Update 2015</a>
ICT-DG 01	EasyWay Operating Environments	<a href="#">Guideline (BP Update 2015)</a> <a href="#">Fact sheet Update 2015</a>

# European strategic and legal documents

European ITS Architecture which is at higher level represented by:

- [European ITS Action Plan](#)
- [European ITS Directive](#)

and 3 Delegated acts

- SRTI <http://eur-lex.europa.eu/legal-content/EN/ALL/?uri=CELEX:32013R0886>
- Parking <http://eur-lex.europa.eu/legal-content/EN/ALL/?uri=CELEX:32013R0885>
- RTTI <http://eur-lex.europa.eu/legal-content/EN/ALL/?uri=CELEX:32015R0962>

and

- Quality of traffic information (quite a few literature about it. start here <https://eip.its-platform.eu/highlights/eip-traffic-information-quality-recommendation-work-concluded>) and
- national single point of access (quite a few literature about it, start here <https://www.its-platform.eu/highlights/single-point-access-activities-be-continued-eu-eip-project> )

All documents above are with further material available at:

- [http://ec.europa.eu/transport/themes/its/road/action\\_plan/](http://ec.europa.eu/transport/themes/its/road/action_plan/)

The implementation in central Europe is carried out by project CROCODILE <https://www.its-platform.eu/>
